Saturday 18th marks a welcome return to Bohemia for laid back acoustic duo 'Banana Moon'. Bohemia regular Mark Bennett is joined once again by vocalist Tracey Leaning.

They draw their material from a range of musical genres but deliver in their own classy personal style. Their set contains a perfect balance between well known 'covers' and their own distinctive originals. If you like the music of Eva Cassidy, Carole King, Stevie Nicks, Randy Crawford, Dusty Springfield, Nina Simone... this could well be one for you.
